SOUTH AFRICAN TOWING AND RECOVERY ASSOCIATION

The South African Towing and Recovery Association was formed as a non-profit corporation at a special meeting assembled on 26th November 1986.

The purpose of this Association would be:-

- 1 To unite the interests of all breakdown firms in South Africa into one vital and informed force so that ~~governmental agencies can be influence to action to:~~
 - a. Remove artificial barriers hampering the public service efforts of the industry;
 - b. enact basic enabling legislation, making it possible for law enforcement to enforce rules and regulations to stop practices in the industry which are contrary to the safety, health and welfare of the public; and
 - c. provide the industry with the normal business safeguards enjoyed by all commercial enterprises.
- 2 To provide a system by which all responsible companies in the country may enjoy fellowship and social relations with all other companies so that the interests of each may be uplifted.
- 3 To provide a programme of industry shows for enjoyment and edification of all industry practitioners through enhancement of pride in equipment, personnel and professional performance.
- 4 The SOUTH AFRICAN TOWING AND RECOVERY ASSOCIATION is represented on the HARMFUL BUSINESS PRACTICE COMMITTEE. (HBPC)

The Secretary of SATRA is the current Chairman of the H.B.P.C. This is a vital tool in the battle against the "pirate" tow operator and will through the Code of Conduct drawn up by the Committee be in a position to start improving the image of the Tow truck operator.

Any additional information can be obtained from the Secretary, AC Keyser at 01311-52588 or the Chairman, mr. L Riekert at 012-5460382/3
